

Personal development, health and physical education information for parents – Umina Beach Public School

Dear parents and caregivers,

Across the school year, our Year 1 and 2 students are involved in the mandatory subject Personal Development, Health and Physical Education (PDHPE). This subject prepares and supports students to lead, and contribute to, healthy, safe and meaningful lives which promote respect, responsibility, enjoyment, inclusion and social justice for self and others.

Our school's PDHPE program covers a wide range of education matter, including relationships, drug use, human sexuality, child protection, fundamental movement skill development, safety and physical activity. Some of the content of the program deals with sensitive issues. The school recognises this by teaching about these issues within the context of a developmentally appropriate program and by providing information to you about the program. A timeline for this program and overview of lessons covered is provided on the following page. If you have any issues or concerns, please contact the school.

The school program will be implemented in a manner that supports the role of parents and caregivers and reflects the ethos of the school community. The school program aims to encourage students to make informed decisions about their lifestyle taking into account the values of the family, culture and religion to which they belong. Specific content which will be covered in PDHPE is listed below. This content is delivered by class teachers or Sports In Schools Australia staff.

- Movement skills and physical activity such as games, dance and gymnastics
- The importance of staying active and the effects on the body
- Caring for your body, through nutrition and sun protection
- Relationships
- Identifies how individuals care for each other
- Communication
- Making decisions
- Feelings, needs and wants
- Personal health, nutrition and hygiene
- Body appearance, internal and external body parts, (private and non-private)
- Body systems (skeletal) and senses
- Changes in body, abilities and feelings about change
- Medication purpose, safe use and storage
- Personal rights and responsibilities
- Road, pedestrian and passenger safety
- Water safety through safe places, play and survival strategies
- Emergency procedures
- Recognising and responding to safe and unsafe situations
- Developing positive relationships and support networks
- Developing assertiveness (No Go Tell)
- Appropriate and inappropriate touching
- Water, air, land pollution and caring for the environment at school and home
- Safe play around the home and school

Should you wish to discuss any aspect of PDHPE for Year 1 and 2 students, please contact Ms Cowley on nicole.cowley3@det.nsw.edu.au or via telephone by calling 43411630.
